Nusfjord Solo PnP April 2020 / March 2022,
page 01/02

In 2020, we have teamed up with Asmodee to bring you this PnP Solo Challenge for NUSFJORD. It consists of parts of SALMON ECK, the second expansion to NUSFJORD, which brought 44 new buildings and 1 new elder to the game.

From this deck, we've selected 22 buildings (namely the 9 A, 6 B, and 7 C cards you need for a solo game) that you can print out and play.

Try it out and see how many points you can score with it.

Share your score and thoughts on our social media channels, Twitter or Facebook, or over at BoardGameGeek and maybe also get a few tips from other players.
